History records & Push

The image shows a smartphone screen displaying a 'History' application. The app has a blue header with a back arrow and the title 'History'. Below the header is a table with three columns: 'Turn', 'Time', and 'Source'. The table contains ten rows of data, alternating between 'OFF' and 'ON' status, with specific dates and times, and source information (either 'Device' or a phone number).

Turn	Time	Source
OFF	2018-05-10 08:29:38	+8618007552090
ON	2018-05-10 08:29:04	Device
OFF	2018-05-10 08:24:27	Device
ON	2018-05-10 08:24:26	+8618007552090
OFF	2018-05-10 08:17:01	Device
ON	2018-05-10 08:08:17	+8618007552090
OFF	2018-05-09 22:54:10	Device
ON	2018-05-09 22:54:09	+8618007552090
OFF	2018-05-09 22:53:52	Device
